THE UNDER SECRETARY OF STATE
WASHINGTON

October 26, 1943

PERSONAL AND CONFIDENTIAL

Dear Mr. Paul:

After our phone conversation yesterday it occurred to me you might like to have a copy of the memorandum that I received from the President on the matter we discussed.

I think the end of this week is a little soon to review the matter again. When next I see the President, I will discuss the matter again and perhaps at that time I can obtain from him a better understanding of what he has in mind.

With best wishes,

Sincerely yours,

(s) E. R. Stettinius, Jr.

Mr. Randolph Paul
General Counsel

MEMORANDUM FOR

E. R. S., JR.

In regard to blocking Argentina, I think we had better keep this matter on our desks, to be reviewed every week or two.

How would it be to let it leak out that some freezing of controls is being studied?
