REGISTER OF VALUABLES IN THE CUSTODY OF THE

FOREIGN EXCHANGE DEPOSITORY, FRANKFURT A/M GERMANY

RESUME:

A total of 78 shipments of valuables has been received at the Foreign Exchange Depository since 15 April 1945. The contents of these shipments include gold and silver bullion, bars, coins, currency, securities, jewelry, stamp collections, art objects, gold teeth-fillings, leather goods and alarm clocks. These valuables may be said to fall into several categories:

- 1) valuables looted by the Germans from occupied Europe
- 2) valuables (currency and coins) belonging to the German state and banking institutions
- 3) property turned in by Germans in accordance with Military Gov't Law No. 53. (This may or may not represent loot).

Following is a list of shipments with the date, of receipt, the source, and a summary of contents. Alphabetical subdivisions in the description of the contents of a given shipment indicate that the items were received from several different sources.
