Journal

Holocaust and Genocide Studies, an interdisciplinary scholarly journal, has been published three times a year by Oxford University Press under sole United States Holocaust Memorial Museum sponsorship since spring 1993. The most recently published issue is volume 29, number 2 (Fall 2015). Volumes 1 through 6 were published twice a year 1986-87, and four times a year 1988-91 by Pergamon Press in association with both the United States Holocaust Memorial Council and Yad Vashem. Information about the journal, including instructions for contributors, as well as tables of contents, abstracts, and full text of articles going back to volume 1, number 1 (Spring 1986) can be accessed at <http://hgs.oxfordjournals.org/>. Subscribers can access online journal content from Volume 10 (1996) onward with a combined print-and-online or online-only subscription. Online content going back to volume 1 (1986) can be accessed through the Oxford Journals Archive. Information regarding the various subscription opportunities, including print subscriptions, is available at the above website as well. Non-subscribers, too, can access content on a pay-per-view basis through the above website.

Subscribers and non-subscribers alike can sign up to receive advance e-mail notification of future journal content at no charge by signing up for OUP’s contents alerting service at http://www.oxfordjournals.org/for_personal_customers/content_alerting.html. Additionally, journal content from 1996 (Volume 10) onward can be accessed via <http://www.ebsco.com>. Ebsco posts journal content a year after OUP website publication.

Beginning with volume 17 (2003), articles also are available online from Project Muse at http://muse.jhu.edu/journals/holocaust_and_genocide_studies.

An experimental virtual issue “The Holocaust in Ukraine: Selected Articles from *Holocaust and Genocide Studies*” is available free, on-line, for a limited time at http://www.oxfordjournals.org/our_journals/holgen/ukraine.html

Other Publications

Itself or collaboratively, the United States Holocaust Memorial Museum publishes a number of el-hi educational, reference, and exhibition-related books and other materials through Museum programs other than Academic Publications. Among titles also published or co-published by the Museum are reference and documentary works (e.g., the diaries of Alfred Rosenberg, multiple volumes of an encyclopedia of camps and ghettos, and a series on Jewish responses) initiated by the Mandel Center for Advanced Holocaust Studies’ Applied Research Scholars Program; and many of the variegated backlist of the former New York non-profit house Holocaust Publications (Holocaust Library), the assets of which were acquired by the Museum in 1993. A short select list of testimonial works, too, these sponsored by the Holocaust Survivors Memoirs Project, has been published by the Museum.
