Balloons Open Meet with Plan Against World Naval Race

Three nations whose navy ships will be meeting in this city today have expressed their determination to hold to the provisions of the treaty limiting armaments as they now stand. The American navy, which is due to arrive in a few days, will be bound by the treaty, whereas the British and French naval forces, which are already here, are to be held to the treaty and will be on par with the American forces. The British and French are to be held to the treaty as a matter of course, and will henceforth be held to the provisions of the treaty. The American navy is due to arrive in a few days, and will be bound by the treaty as a matter of course.
